Total process - nil

8.10 P.M. Advice:-

1. Master Self development to be the sole, constant thought and pra yer in the minds of all mediums.

2. High temperature regulation without affecting the functions of blood circulation etc.

3. To attend morn. & eve. as far as possible at society premises to receive M's own adjustment since severe physical regulations are to be given in this Mars period.

4. Phenomena of past lives' experience and of departed relations etc. may appear frequently as a result of the

working, need not fear weakness and bodily pain which may be caused by the present working which moulds the Organs in such a way as to become without weight.

5. "Coolden waking" etc. for excessive heat and consequent affects. No outer matter will help in cooling the system.

6. Observations of the workings in the system whenever convenient by sight or by feeling will help the leading to the Physical of our Line forces.

7. Mind depression and anxiety owing to very rapid rectification and moulding will be given; do not mind them, but be eager in practice.

8. The present working is the conversion of the Physical into a state like Ether unaffected by heat or cold.

9. Feverish affects and pain in the body may appear; no diet restriction; cold water may be freely used.

10. Phono regulations are taking place; so, noises & hardness of hearing may be felt - no cause for fear.

6.35 A.M. Practice advice - Sight Regulation

From Physical to Etheric, Vigour supply, which will be shown in Sight. This regulation taken place from to-day.

In the period of New Moon to Full Moon, ie. Amavasai

period, from physical to astral 15 days regulation from Full Moon to New Moon ie. Pournima period astral to Physical 15 days regulation.

During Physical Distribution sudden dragging to unconscious state with unberable burning sensation will be caused by giving large quantity of forces to the moulding of Physical structure.

Need not fear about the unconscious production for, sudden unconscious production will be caused so as to forget the place from where he is practicing. This state will continue till the completion of coming New Moon.

1. Much irritation caused by unconscious state will be produced - This must be controlled.
2. All kinds of rush of very bad and cruel thoughts in thought form will be kindled by tommorrow's practice - this is given as a warning to control them.
3. Many kinds of affects as to limit even the life period as given by the Cosmas will be given.
4. While speaking with Master such state of unconsciousness will be produced as to cause confusion whether, we are speaking to him in person or in sleep.
5. By this a test is given as to measure the forbearance or control of forgiving mind to each medium.
6. To aviod misunderstanding between mediums, for it will create hindrence to the progress of Practice, for the ensuing three days, request your enemy to keep quiet and observe your practice as per instructions.
7. Even in your house give a thought for the development of your wife along with you and with patient proper control your mind as outburst of patience are apt to be caused suddenly.
8. When conversing with others try to be polite, so as not to be irritated by them or irritate them.
9. This is given as to test to find out who alone stands as a patient man from the group of mediums.

The working of our line alone should predominate in your mind.
