

V O L U M E - 20 (From 1-2-1921 to 30-6-1921)

1.2.1921 Tuesday - 7.20 A.M: 1. C.V.V. - at villa

2.2.1921 Wednesday 6.45 P.M: Consulting: Advice:-

Since Jan 26th '21, the connection given to C.V's. Etheri is to have touch in her physical memorandum, to complete that work it will take 45 days. During this period - from tomorrow (Feb.3rd '21) the explanations will be given for writing according to the degrees touch it forms in the Memorandum.

By this two kinds of Memorandum are going to work in the Physical body and two kinds of explanations will be given one about the Cosmic levels and the other of its higher experiences of Pure Memory levels. Owing to this moulding work the advice could not be given till now.

7.2.1921 Monday 9.20 A.M: Advice:-

Expelling the present memorandum work, is going on in rapid rate hence is the troubles. Owing to the absence of the Stability & Etheri, the unberable state shows. This will continue for 1 1/2 month.

She could not give further advice and the lift too was not given by the Master.

13.2.1921 Sunday 4.50 P.M.: Advice:-

The connection is given to the Etheri to work the physical of Venca in 360°. It is in kindling work of the each degree and she will be in uncontrollable state. The stability level has reached the Sahasrara and it should come to heart portion. Then only the advice could be given about the "Reaching".

This will not take long period to complete and within 15 or 20 days almost will be finished. Till that time don't cause your mind to depression or irritation on any account.

M.T.A.

17.2.1921 Thursday 7 P.M.: Advice:-

As explained yesterday the C.V's development will be completed at 9 P.M. Then only further advice will be given.

There is nothing to give you in working form to the conscience but Truth action in physical sight. It will not take long time but in days delay. So don't cause yourself to depression by different views.

At 12 Midnight observe if there is anything new. There is nothing to reveal more except Truth.

M.T.A.

19.2.1921 Saturday 6.45 P.M.: Advice:-

The Reaching will be in near future. The exact date will not be revealed now. First the Etheric reaching of C.V. should come to her physical conscience. Then your Reaching will be revealed by her, the time and advice. The state shown to her was revealed thus:-

"A Sun like blazing from the Earth will fall on the Self body and will change the physical molecules. Then it will be increased and the breadth of the blazing will be extended so as to cover the whole earth."

24.2.1921 Thursday 7.15 P.M: Consulting:

C.V.says that without the appearance of the Master, a boring is shown and an air pressure causes to repeat in sounds by it.

As the inner moulding is given to mix the Etheric with physical and it will continue for 5 days. Then only further advice could be given.

As the present working is in lower touch that the children born from the date of practice will be revealed writing form.

The tests tried on Growth & Rathnam will be revealed.

26.2.1921 Saturday 7.30 P.M.:Advice:-

Is to take the sideways as enlargement in unlimit is not completed in working. It should reach the unlimit and should reach the earth from that. By this the conscience will work to all on that day about the change in Cosmes. To touch the unlimit level there is 2 inches distance.

Thus radiation from the Earth or enlarging or pervading or fill-upping means spreading the View - as in K-fillupping.

When it reached the unlimit level a change will show in your physical system and that is the sign of it.

6.3.1921 Sunday 6.30 P.M.: Advice:-

About the delay don't have any kind of depression. Even there is failure in confidence the contract will show its work. This Earth is not in a state to bear the high pressure of this line of work and as it takes its own time to recoup it.

A kind of belt has been formed covering the whole top, bottom and the converging pressures should reach the Earth which will be completed within 45 days.

M.T.A.

11.3.1921 Friday 10.50 A.M.: Advice:-

Again some wanting is felt in breadth sides and it came to attend to rectify. This will take some time to finish it. Then only the Reaching will be established. There is some secret in the whole working and so the advice will not go to your in full. Don't have any kind of depression about the delay.

In the above said connection there will be some courses to distribute to mediums to-day and in other dates. At 3 P.M. distribute the following names.

3.10 P.M. Advice:- To repeat this once, in lying posture and to feel the passing from left leg toe running all the degrees to right leg toe. "Epithelial .....barred".  
(distributed at 3.18 P.M. & 7.10 P.M.)

12.3.1921 Saturday 7.30 A.M.: Advice:-

As said yesterday there are courses to distribute up to 15th inst. at 4 P.M. on the 12th, 5 P.M. on the 13th, 6 P.M. on the 14th & 7 P.M. on the 15th inst.

This should be sent to the Moff. mediums to practice these 5 names in 5 days at the above said times, on receipt of the advice, with their usual practice of Guru Reg.

The Reg. is called "HORN COVER REG.", to the Earth.  
The remaining names are noted in separate book.

14.3.1921 Monday 5.40 P.M. : Advice:-

As the work has begun now and so ask all to do the course at 5.45 P.M. instead of 6 P.M.

16.3.1921 Wednesday 5.45 P.M. Advice:-

To distribute the additional name that was received in Horn Cover Reg. at 6.30 P.M. to-day.

18.3.1921 Friday 7.30 P.M: 1. C.V.V. (to Sholinger) 6.30pm.

7.35 P.M. Advice to Self:- There is regulation to Self and to C.V. for 6 days. C.V. will be in unconscious state and don't disturb her in moulding. This is not for distribution but Direct to your-self. Observe the feeling and then the explanation will be given to you after.

Re: N.M.Ramaiah Brothers.

As per Karmic law - In their previous birth the affect of murder has the turn to show; Their wives also caused some deaths to animals by starvation.

So there is affect in Prana levels. As for their request about the children they have to spend their own money, not from the Charity Fund, to mitigate the Planetary influence.

They have to follow the remedies given.:-

1. Both with their wives to visit you in proper order and to receive permission to follow the advice.
  2. To practice before MASTER'S FIGURE in a dark room for 12 days placing one diamond each day, which is equal to Prana level.
  3. Then each day a RUBY for 12 days to rectify blood.
  4. Then to strengthen the nerves to place one PEARL for 6 days.
  5. After 30 days to place these at the feet of the Master with a PAIR OF MALE AND FEMALE CLOTH.
- The request will be good.

21-3-1921 Monday 7.30.p.m.: Advice o self: Some explanation was given about the delay in working. Notes Vol.1.3.pp. is noted. The Hook Rod connection practice was given at 7.50. and to observe it for 5'.

Feeling was very feeble.

23.3.1921 Wednesday 7.00 P.M: Advice:-

Some explanation was given by the Master about the "Oledere" principles.

25.3.1921 Friday 6.50 P.M: Advice:-

The working will be completed of the Hook Rod at 12 Midnight. Then only the advice could be given.

27.3.1921 Sunday 12.30 Noon:Advice:-

V.R. is permitted to receive G.C. all programme. To have G.C. from April 9th to 13th inst., and to give instructions about the Giddineses,, memory & memorandum working and the quality of the "1". To explain the delay in "Reaching" working and to wait for 14 months. From 29th inst. "Short battery rings" working will be given to the Self system. The Cosmic worries will be in increased state and by C.V. Kutty also. Don't care about that.

1.4.1921 Friday 6.55 P.M.: Advice:-

1. C.V. avoids to work thinking the Self suffering.
2. The line began when Comet returning and before the completion no comet will come, and in the meantime there will be no chance to it.

The Reaching day could be known to all by sudden action and change on the Earth. The time could not be fixed by the present state. This may take at least 14 months. This being the ending period the worst kind of temperament will be shown. Many will be in this test. Yourself and C.V. is an example to it. This is a symbol of high working speed. It have not placed you in such a state to keep S.S. with you. The level acted in him will not go in vain.

Only on the Reaching moment the body will be as promised and not before that. Till then it will be maintained in

ordinary state and not with sickness.

To break the Sun, to stop the Earth, to Quench the fire and such kinds of levels will be shown by you and not waste of energy working of others like.

The Comet may come within 2 1/2 months to this Earth and begin at North side.

Then per Reaching flow began to have some connection and impressed her shrinking level caused by the outer depression. The view acting in K level as Etheri was disturbed and 5 days evaporation is given to rectify it. Then only direct communication will act.

11, 12, 13th June 1921 - C.V.V. at Papanasam

20.6.1921 Monday 7 P.M.: Advice to Self:-

The present regulation given to Self will take 3 months more. It is given to test the Prana high temperature in the system how it bears. The only thing is kept in waiting, the radiation to outer. The Inner is kept in waiting, the radiation to outer. The Inner is kept like a floating one in the midst of the Cosmic pressure without radiating its quality.

Re: Comet

With an absorption from the Triple passing the Mongee route and the Symbol Lights the Comet goes round the Earth. Like the Planetary leading it enters first Sukra meridian. By this the Sukra, Budha, Mars and Saturns' wanting Prana

level will be kindled to each of them and the leading to Earth will be like Meteor's form. This will cause many wonders on the Earth some as pleasures to human forms and in pain in some way.

New Stars also will be visible. The lightning and thundering sounds will be much produced. In course of time each man will be made to understand the three giddinesses states that are acting on him.

Direct reply - from this position.

During the SAMADHI COURSES many tests has been tried in the Self system with tremendous velocity and the pumping work and the result was a beautiful one. All were given in your conscious state and you stood the test. Now there is nothing left to try. No such trial is made in any other system and so the higher level advises could not be communicated through any other system. T.M. has not reached that state. Hence is the delay in advancing. Further there are some portions create to system if revealed. It is not proper to reveal it.

The chief point of the Principles and some ideas which are necessary for practising principles and to understand the cosmic working were given.

The rest was kept Secret even now. To the many queries which are not necessary has not been answered even pressed by T.M. The new principles of working will differ much from the existing one and so no improvement is shown to want which you feel and ask.

Don't think that T.M. has failed in getting advice from me. She was kept like that in such moments. She has been developed to attend any kind of work of mine at any moment to my call and not for memorandum working knowledge, which is in no way useful to you.

I will be attending to guard you only and will not be revealing all the moments that is affecting you, caused by the tremendous waves in its course of developments by the introduction of our line to the Earth.

What is the use of revealing the effects? You want only the guarding. That I will be attending always.

T.M. revealing the advice is a giddiness route. Some higher ones will not pass that route while it has its own way of working in conscious state, you have to wait for that to act to you.

The future working more could not be traced even by me. The View must reveal by its own action. It is still trying how to act from centre to radiate on all sides to the Self figure. "One" should see the "One".

No further advice is necessary but be calm and patient for sometime as you once was in the beginning till it works at its own accord. Think of your sounds run from throwing giddiness and never give value to it.
